Dear Potential Offerors:

DRAFT REQUEST FOR PROPOSALS (RFP) FOR RADIOACTIVE WASTE TREATMENT AND BULK SURVEY FOR RELEASE (BSFR), DE-RP30-09CC00046

This letter transmits Draft Request for Proposals (RFP) DE-RP30-09CC00046. Interested parties are hereby invited to thoroughly examine the Draft RFP and accompanying Web site in their entirety and to submit comments and/or inquiries in writing via email at mllwtreatment@emcbc.doe.gov. It is requested that comments and/or inquiries be sent to this email only. The Government's responses to any comments and/or inquiries received will be posted to the Draft RFP Web site at a later date. Comments and/or inquires are requested within 10 days after the release of this draft RFP.

Comments on any area of the solicitation are appreciated. The Department of Energy (DOE) has identified several key areas that interested parties should consider when submitting comments and/or inquiries:

(1) The contract will be an Indefinite Delivery Indefinite Quantity (IDIQ) contract with firm fixed prices for BSFR, Authorized Release, and Treatment Services. The Ancillary Services Contract Line may be either fixed price or cost reimbursement to be determined at the Task Order Level.
(2) Section J, Attachment B, Price List, contains the pricing structure for the firm fixed unit prices for CLINs 0001, 0002, and 0004 based on waste type/composition.
(3) Work performed under the Ancillary Services CLIN may be classified.
(4) The RFP includes a requirement for large business to submit an acceptable Small Business Subcontracting Plan as part of their proposals. Information regarding the small business goals and achievements for DOE are available in the Reference page on the RFP Web site.

PROPOSALS SUBMITTED IN RESPONSE TO THE DRAFT RFP WILL NOT BE ACCEPTED OR EVALUATED. A FORMAL RFP WILL BE RELEASED AT A LATER DATE FOR WHICH INTERESTED PARTIES MAY SUBMIT PROPOSALS.

Sincerely,

Noelle Mills
