### Section A – Headquarters CRD:
DOE Order 225.1B, Attachment 1, Contractor Requirements Document

### Section B – General Clarifications:
None.

### Section C – Specific Clarifications:
None.

### Section D – General Supplemental Requirements
DOE contractors shall report events potentially requiring investigation in accordance with the Determination Criteria in DOE O 225.1B, Appendix A. Identification of events which could potentially result in an accident investigation shall be reported in a timely manner to the RL Assistant Manager for Safety and Engineering, or his designee. Reporting shall occur expeditiously, taking into account that timeliness is crucial to conducting an accurate investigation, preservation of the accident scene and evidence, and identifying causal factors. (see DOE O 225.1B, Appendix B for definitions.)

### Section E - Specific Supplemental Requirements:
None.
