## Section A – Headquarters CRD:

Hard copy of the CRD and Attachment 2 to the Order are attached.

## Section B – General Clarifications:

The following clarifications are provided to Attachment 2 of DOE O 150.1:

Page 2: Department of Energy Mission Essential functions (MEFs), Primary Mission Essential functions (PMEFs) – Only the first bullet of the list applies to MSC and PRC.

PMEFs/MEFs that apply to MSC and PRC:

- Maintain the safety and security of nuclear materials and stewardship of the nation’s Nuclear Weapons Complex.

Page 2 and 3: Department of Energy Essential Supporting Activities (ESAs) – the first, seventh, and ninth bullets do not apply to the MSC and PRC contractors.

    Insofar as they apply to the Hanford site’s PMEF identified above (maintain the safety and security of nuclear materials), ESAs that apply to the MSC and PRC are:

    - Ensure the availability of information technology.
    - Ensure the availability of communication systems.
    - Provide security of DOE programs and facilities.
    - Provide for the health, safety, security, and accountability of human capital.
    - Ensure adequate funding, procurement, and contracting support is available for essential DOE activities during and after a continuity event.
    - Respond to DOE operational emergencies.

## Section C – Specific Clarifications:

None

## Section D – General Supplemental Requirements

None

## Section E - Specific Supplemental Requirements:

None
