15. Warranty Provision

e-Management e-Gov Risk Portfolio Manager™ Software License Agreement & Warranty

Software Warranty: e-Management warrants that for the first 90 days following delivery of the Programs to Client (the "Warranty Period"), (i) the Programs as delivered will perform substantially in conformance with the applicable Documentation, and (ii) the digital or electronic media on which the Programs and the Documentation are distributed are free from defects in materials and workmanship. e-Management does not warrant that the Programs will operate in combinations except as specified in the Documentation. Notwithstanding any other provision of this Agreement, e-Management and Client acknowledge that Client's use of the Software or other deliverables provided hereunder may not be uninterrupted or error-free. As Client's sole and exclusive remedy and e-Management's entire liability for any breach of the foregoing warranty, e-Management will, at its sole option and expense, promptly repair or replace any medium or Program which fails to meet this limited warranty or, if e-Management is unable to repair or replace the medium or the Program, refund to Client the applicable license fees paid upon return of the nonconforming item to e-Management.

Maintenance

- **Initial Maintenance Period** – The Maintenance Service purchased will extend for one year after the date the Programs are made available to you.
- **Subsequent Maintenance Periods** - Upon expiration of the Initial Maintenance Period, Maintenance will automatically renew for successive annual periods, depending on the availability of the customer agency's funding and appropriations, provided (i) e-Management continues to offer Maintenance for the relevant Program(s) to its general client base; (ii) you pay the Maintenance fees applicable for the relevant Maintenance Period and the relevant level of Maintenance, and (iii) you do not terminate Maintenance by providing e-Management with at least 30 days written notice prior to the expiration of the applicable initial or subsequent Maintenance Period. Maintenance fees for the Program(s) will be calculated per the applicable Schedule at our then current license fees. All Maintenance fees will be due and payable at the beginning of each Maintenance Period, or otherwise as in accordance with the Termination for Convenience clause of this Agreement
- **Lapsed Maintenance** – To the extent you have not continuously maintained Maintenance Services at a level of at least Basic Maintenance from the earlier of the effective date of this Schedule or the date that you first licensed any of our software programs and you wish to begin receiving Maintenance Services, you will be required to first pay us to reinstate lapsed Maintenance in addition to the payments due us for the new Maintenance Period, in each case, at our then current pricing with the exception of a lapse of appropriations.
- **New Functionality through Program Updates** – To the extent an Update includes new functionality you have not already licensed, you agree to be bound by any limitations or

restrictions (together, "Limitations") concerning your ability to use such Program Updates provided such Limitations do not decrease your ability to use the functionality previously licensed and we notify you of such Limitations whether by means of a license schedule, agreement, or some other means, electronic or otherwise. To the extent you want to exceed such Limitations, you must contact us to purchase the necessary rights.

Grant of License: e-Management grants the reseller a non-exclusive and non-transferable license to use the software product and to make one copy solely for backup or archival purposes, which may include user documentation provided via on-line or other electronic form. Additional copies may not be made nor may anyone else be allowed to copy or otherwise reproduce any part of the licensed software without prior written consent of e-Management. The reseller may transfer product and therefore license, but may not make copies or may not allow any one else to make copies unless specifically outlined in their reseller agreement or with prior written consent of e-Management.

Copyright: All trademark(s), logo(s), name(s), software, documentation and other supporting materials relating to the product are trademarked, copyrighted or owned by e-Management as proprietary information protected by United States copyright laws and international and applicable national treaty provisions and laws. Software protection extends beyond its literal code to structure, sequence and organization; any unauthorized use or modification would constitute a misappropriation of e-Management proprietary rights and a violation of the product's stated license agreement.

Liabilities: e-Management's entire liability to the purchaser's exclusive remedy shall be at e-Management's option, either return of the awarded price plus re-procurement costs or repair/replacement of the product not meeting e-Management's declared Limited Warranty. In all cases, e-Management will address any claim for repairs, replacement or refund via the reseller or directly with the end-user in the event of a direct sale by e-Management. e-Management or its suppliers shall not be liable in any event to anyone for any indirect, incidental, consequential, special or exemplary damages including without limitation damages for loss of business profits, business interruptions, business information or other pecuniary loss arising out of the use of or inability to use the said product even if advised of the possibility of such damages. In any case, e-Management's entire liability under any provision of this agreement shall be limited to the amount actually paid by the purchaser for the product.

Remedy: For software defects, e-Management shall use a commercially reasonable effort to correct defects that result in material non-compliance with the user's manuals, for such software, and supply a corrected version of the software.

Exclusions: The above remedies are available only if e-Management's examination discloses to e-Management's satisfaction that such defects actually exist and were not caused by end-user's misuse, unauthorized modifications, neglect, improper installation or testing. e-Management makes no warranty with respect to the non-infringement of any third party's intellectual property rights.

Disclaimer: THE EXPRESS WARRANTY ABOVE IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, THE WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR NON-INFRINGEMENT OF ANY THIRD PARTY'S INTELLECTUAL PROPERTY RIGHTS. No representation or other affirmation of fact, including but not limited to statements regarding capacity, suitability for use or performance of Products, whether made by e-Management employees or otherwise shall be deemed to be a warranty by e-Management for any purpose or give rise to any liability of e-Management whatsoever unless contained in the Sales Acknowledgment or the e-Management Terms and Conditions of Sale.

Attachment I: eFortress CloudeAssurance Software Agreement and Warranty

CLOUDEASSURANCE LICENSE AGREEMENT

Effective Date: Immediately

This CloudeAssurance License Agreement ("Agreement") is entered into as of the Effective Date between eFortresses, Inc., a Delaware corporation ("eFortresses"), having its principal place of business at 3340 Peachtree Road, NE, Suite 1800, Atlanta, Georgia 30326 and Ordering Activity, or GSA Customer ("Licensee").

LICENSE. Subject to the terms and conditions of this Agreement, eFortresses grants to Licensee, "Ordering Activity" a limited, non-exclusive and non-transferable license to use the eFortresses's CloudeAssurance Software-as-a-Service (SaaS) (the "Software"), a cloud based application, to assess information owned by Ordering Activity's employees for Security and Compliance scoring. In addition, Ordering Activity may use the documentation supplied with the Software in support of Ordering Activity's authorized use of the Software.

Ordering Activity agrees to use the Software only in the ordinary course of providing Security and Compliance scoring for Ordering Activity's in-house use. Except as set forth herein, under no circumstances will Ordering Activity use the software for any uses that have not been licensed.

Use of the Software is limited to a maximum number of authorized licenses, as defined in the GSA Customer Purchase Order. If Ordering Activity desires to increase the number of authorized users or increase the number of assessments it can undertake using the Software, Licensee must execute a new GSA Customer Purchase Order to purchase additional licenses from eFortresses.

Ordering Activity acknowledges that the Software is configured in such a manner that Ordering Activity may use the Software only by obtaining an enabling access code from eFortresses. Each access code is a company-specific, user-name, user-id and password combination, which enables the Software to be used to assess the designated information for Security and Compliance scoring. Each access code will be valid for a period as stated in the GSA Customer Purchase Order. eFortresses may remedy nonpayment as stated in the FAR and the underlying GSA Schedule Contract. All disputes are subject to the Disputes Clause in the underlying GSA Schedule Contract.

RESTRICTIONS ON USE. By virtue of this Agreement, Ordering Activity acquires only the right to access and use the Software and does not acquire any rights of ownership. Except for the rights and licenses as expressly provided above, all rights, title and interest in the Software, are reserved by eFortresses. Ownership of derivative works should be as set forth in the copyright statute, 17 U.S.C. §103 and the FAR clause at 52.227-14. The Software may be used only by Ordering Activity in the ordinary course of providing Security and Compliance assessments. Ordering Activity may

not make copies of the Software may not allow non licensed third parties to use said Software. The Software may not be used for commercial timesharing, service bureau or other rental or sharing arrangements. Ordering Activity agrees not to reverse engineer, disassemble or decompile the Software or any part thereof. Ordering Activity agrees not to remove the copyright, trade secret or other proprietary protection legends or notices which appear on or in the Software.

LIMITED WARRANTY. eFortresses warrants to Ordering Activity that the Software, as provided by eFortresses, will conform in all material respects with eFortresses's published documentation for the Software in effect at the time of use. As Ordering Activity's exclusive remedy of any such material nonconformity, eFortresses agrees to take commercially reasonable measures to determine the cause of any material nonconformity and provide Ordering Activity with a correction thereof or, at eFortresses's discretion, a suitable substitute for the Software, at no further cost to Ordering Activity, or a refund pro-rated for the unused period provided, however, that Ordering Activity must report any such material nonconformity to eFortresses in writing promptly via e-mail to products@eFortresses.com. THIS PARAGRAPH STATES THE ENTIRE EXCLUSIVE REMEDY OF eFortresses FOR BREACH OF ITS LIMITED WARRANTY FOR THE SOFTWARE.

SUPPORT SERVICES. , eFortresses will provide support services for the Software in accordance with eFortresses's standard Service Level Agreement for Support. As part of such support, Ordering Activity shall be entitled to access all new releases of the Software that are made available without additional charge. eFortresses reserves the right to modify its standard Service Level Agreement for Support from time to time, only upon the written agreement of all parties hereto. Ordering Activity or its designated employee may contact eFortresses regarding Software support.

DISCLAIMER. THE LIMITED WARRANTY SET FORTH ABOVE IS THE ONLY WARRANTY PROVIDED BY eFortresses. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE FEDERAL LAW, eFortresses DISCLAIMS ALL OTHER WARRANTIES, EXPRESS, IMPLIED, OR STATUTORY, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, NON-INFRINGEMENT, COMPATIBILITY, QUIET POSSESSION, SECURITY, OR ACCURACY, AND ALL SOFTWARE AND SERVICES PROVIDED UNDER THIS AGREEMENT ARE FURNISHED "AS IS" AND WITH ALL FAULTS. eFortresses does not warrant that the Software will meet Ordering Activity's specific requirements, that operation of the Software will be uninterrupted or error-free, that all defects and errors in the Software will be corrected, or that the Software will meet any particular criteria of performance or quality. eFortresses shall have no responsibility for problems in the Software that are caused by

Effective Date: Immediately

alterations or modifications to the Software by anyone other than eFortresses or that arise out of the malfunction of third party products, or for delays or interruptions in the delivery, installation or operation of the Software. The provisions of this paragraph allocate the risks under this Agreement between eFortresses and Ordering Activity. eFortresses's pricing reflects this allocation of risk and the limitation of liability specified herein. The foregoing exclusion/limitation of liability shall not apply (1) to personal injury or death caused by eFortresses' negligence; (2) for fraud; (3) for express remedies under law or the contract; or (4) for any other matter for which liability cannot be excluded by law.

INSTALLATION AND TRAINING. Upon payment of the initial license fee for the Software, Ordering Activity or its designated employee agent, consultant and/or independent contractor (collectively referred to as "employees," hereinafter) shall be entitled to attend eFortresses's basic training course for the Software at eFortresses's facilities. At Ordering Activity's reasonable request, eFortresses agrees to provide remote or on-site assistance in the use of the Software and advanced training courses for Ordering Activity or its designated employee. All of such services shall be provided subject to the execution of a new GSA Customer Purchase Order.

SOFTWARE MODIFICATIONS. All feedback and suggestions regarding performance and

functionality of the Software, any resulting refinements, modifications, improvements, designs, plans and specifications which are made to the Software by eFortresses, and all copyrights, patent rights and other intellectual property rights with respect to the foregoing, shall be the sole and exclusive property of eFortresses.

CONFIDENTIALITY. Ordering Activity acknowledges that the Software has substantial monetary value and embodies valuable trade secrets of eFortresses and that the Software bears a copyright legend, which in no way reduces the trade secret nature of the Software. Ordering Activity agrees to exercise due care to prevent unauthorized use or disclosure of the Software, using the same safeguards afforded its own trade secrets and confidential information. The foregoing covenant shall not apply to any information in the public domain, information already in the possession of Ordering Activity, information obtained from other sources without obligations of confidentiality, information independently developed or information that ceases to be a trade secret through no fault of Ordering Activity. When the end user is an instrumentality of the U.S. Government, neither this EULA nor the Schedule Price List shall be deemed "confidential information" notwithstanding marking to that effect. Notwithstanding anything in this Agreement to the contrary, the GSA Customer may retain such Confidential Information as required by law,

regulation or its bona fide document retention procedures for legal, regulatory or compliance purposes; provided however, that such retained Confidential Information will continue to be subject to the confidentiality obligations of this Agreement.

PAYMENT. eFortresses will invoice Ordering Activity for Software license fees, as described in the GSA Customer Purchase Order. Unless otherwise agreed by eFortresses, all fees are payable in advance. eFortresses's license fees are based on Ordering Activity maintaining a continuous license for the Software. Taxes are subject to FAR 52.212-4(k), which provides that the contract price includes all federal, state, local taxes and duties. eFortresses shall state separately on its invoices, taxes excluded from the fees, and the GSA Customer agrees to either pay the amount of the taxes (based on the current value of the equipment or services) to eFortresses or provide it evidence necessary to sustain an exemption, in accordance with FAR 52.229-1 and FAR 52.229-3.

TERM AND TERMINATION. The initial term of this Agreement shall commence on the Effective Date, and, unless earlier terminated as provided in the FAR, the underlying GSA Schedule Contract and any applicable GSA Customer Purchase Orders, shall continue for a period of one (1) year. When the end user is an instrumentality of the US Government, recourse against the United States for any alleged breach of this Agreement must be made as a dispute

under the contract Disputes Clause (Contract Disputes Act).. During any dispute under the Disputes Clause, the eFortresses shall proceed diligently with performance of this contract, pending final resolution of any request for relief, claim, appeal, or action arising under the contract, and comply with any decision of the Contracting Officer.

Upon termination, the license to use the Software shall expire, and Licensee shall immediately refrain from using any enabling access code provided by eFortresses. The provisions of the paragraphs entitled "Disclaimer," "Confidentiality," "Payment" and "Disclaimer of Damages" shall survive expiration or termination of this Agreement.

DEFINITIONS

The following definitions are applicable to this AGREEMENT:

- (1) "COMPLIANCE" shall mean information about security and regulatory compliance.
- (2) "SOFTWARE" shall mean the CloudeAssurance SaaS solution accessed via internet plus any questionnaires used as part of the assessment process
- (3) "CLOUDEASSURANCE" means proprietary software copyrighted and owned by eFortresses
- (4) "ASP" Application Services Portal is a web site accessed via the Internet to provide services, in this case, security and compliance assessments.

CLOUDEASSURANCE LICENSE AGREEMENT

Effective Date: Immediately

DISCLAIMER OF DAMAGES. TO THE MAXIMUM EXTENT PERMITTED BY FEDERAL LAW, IN NO EVENT WILL eFortresses BE LIABLE TO ORDERING ACTIVITY OR ANY THIRD PARTY, UNDER ANY THEORY OF LIABILITY, HOWEVER ARISING, FOR ANY COSTS OF COVER OR FOR INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES OF ANY KIND (INCLUDING ANY LOSS OF USE OF COMPUTER SYSTEMS, INTERRUPTION OF BUSINESS, LOSS OF BUSINESS PROFITS, AND DAMAGE TO OR LOSS OF DATA) ARISING OUT OF THIS AGREEMENT, THE PROVISION OR USE OF THE SOFTWARE OR THE PROVISION OR USE OF ANY DATA CREATED BY OR ACCESSED THROUGH THE SOFTWARE, EVEN IF eFortresses HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. ORDERING ACTIVITY ACKNOWLEDGES THAT THE SOFTWARE IS DESIGNED TO IDENTIFY SECURITY AND COMPLIANCE WEAKNESSES IN A COMPANY AND NOT AS A SECURITY AND COMPLIANCE ASSURANCE PRODUCT. ORDERING ACTIVITY ASSUMES ALL RISKS ASSOCIATED WITH THE OPERATION OF THE SOFTWARE. THE FOREGOING EXCLUSIONS/LIMITATIONS OF LIABILITY SHALL NOT APPLY (1) TO PERSONAL INJURY OR DEATH CAUSED BY EFORTRESSES' NEGLIGENCE; (2) FOR FRAUD; (3) FOR EXPRESS REMEDIES UNDER LAW OR THE CONTRACT; OR (4) FOR ANY OTHER MATTER FOR WHICH LIABILITY CANNOT BE EXCLUDED BY LAW.

U.S. GOVERNMENT RESTRICTIVE RIGHTS. Use, duplication and disclosure by the U. S. government, including any agency thereof, is subject to the restrictions as set forth in here in pursuant to DFARS 252.227-7015 "Technical Data-Commercial Items" (Jun. 2013) and FAR 52.227-14 "Rights in Data" (Dec. 2007) as applicable. Contractor/Manufacturer is eFortresses, 3340 Peachtree Road, NE, Suite 1800, Atlanta, Georgia 30326.

GENERAL. (A) The waiver of one breach hereunder shall not constitute the waiver of any other or subsequent breach. (B) All notices under this Agreement may be given by hand delivery, by overnight delivery, by first class mail, or by e-mail or facsimile (with hardcopy mailed the same day by first class mail) to the party at the address set forth in the applicable GSA Customer Purchase Order, or to such other address as the party to receive notice so designates by written notice to the other. Notice shall be deemed to be given upon delivery, if delivered by hand, on the day promised for delivery, if sent by overnight courier, three (3) days after posting, if sent by first class mail, or upon transmittal, if sent by e-mail or facsimile. (C) No amendments, modifications or supplements to this Agreement shall be binding unless in writing and signed by both parties. (D) Ordering Activity understands that from time to time eFortresses may engage one or more third parties to provide marketing and/or technical assistance and that such third parties are independent of eFortresses and have no express or implied authority to bind eFortresses, nor is eFortresses liable for any acts of such third parties which

CLOUDEASSURANCE LICENSE AGREEMENT

Effective Date: Immediately

are outside the scope of their appointment. (E) If any provision of this Agreement is held to be unenforceable, such decision shall not affect the validity or enforceability of the remaining provisions. (F) This Agreement may be executed in two or more identical copies, each of which shall be an original. (G) Ordering Activity agrees that this Agreement together with the underlying GSA Schedule Contract, the Schedule Price List and any applicable GSA Customer Purchase Orders is the complete and exclusive statement of the agreement between the parties, which supersedes all prior and or concurrent proposals and understandings, whether oral or written, and all other communications between the parties relating to the subject matter of this Agreement. This Agreement, however shall not take precedence over the terms of the underlying GSA Schedule Contract or any specific, negotiated terms on the GSA Customer's Purchase Order. (H) Ordering Activity agrees to comply fully with the United States Export Administration Act and otherwise insure that the Software is not exported to any country or used by any person in violation of United States laws and regulations. (I) Licensee agrees that it shall not sell, assign, or transfer this Agreement or any of Licensee's rights, duties, or obligations hereunder without eFortresses's prior written consent. Any assignment by eFortresses shall comply with FAR 52.232-23 "Assignment of Claims" (Jan. 1986) and FAR 42.12 "Novation and Change-of-Name Agreements" (Sep. 2013).

By signing this agreement, the GSA Customer indicate consents to be bound by the terms of this CLOUDASSURANCE License Agreement.
