

The response from DOE for question No. 62 is hereby replaced with the following:

From:

| No. | Final RFQ Section         | Page | Industry Question/Comment  | Government Response  |
|-----|---------------------------|------|--|--|
| 62  | Building 4057, Site Walk. |      | What should the Contractor's assume with regards to the current records stored in the building? Will DOE dispose of the records prior to the contractor assuming control of the facility or prior to initiation of D&D activities? | DOE will not dispose of the records currently stored in Building 4057 prior to the Notice to Proceed. These records shall be managed in accordance with PWS Section 5.5. |
