

Offerors/Contractors/Subcontractors,

e-FOCI Version 10.6 was released on Friday, September 29, 2023. This release includes the addition of SMO (Senior Management Official) and ITPSO (Insider Threat Program Senior Official) checkboxes to the Key Management Personnel (KMP) list.

Please note that submitted packages that *include* the KMP form must be returned to you (Offerors/Contractors/Subcontractors) to enter the SMO and ITPSO values before DOE can make a FOCI determination.

The DOE FOCI Offices will receive the following message if they are attempting to render a FOCI determination before these values are checked in the KMP form:

The system is having a problem with your request

Not all required forms have been completed. Please return package to contractor.

If you continue to experience problems, please contact the e-FOCI Help Desk for support at 630-252-6566 or fociserver@anl.gov.

For questions, please contact the EM-3.114 HQ FOCI Office via email at em-3.114fociteam@em.doe.gov. You may also reach out the EMCBC FOCI Liaison, Kimberly Tate at 937-673-4570 or kimberly.tate@emcbc.doe.gov for assistance.
