ARTICLE I PURPOSE

It is the intent of the parties that this contract will constitute the complete agreement between Mid-America Conversion Services, a partnership between Atkins Nuclear Secured Holdings, LLC, Westinghouse Government Services, and Fluor Federal Services, Inc., hereafter referred to as "MCS" or the "Company", and the United Steel, Paper and Forestry, Rubber, Manufacturing, Energy, Allied Industrial and Service Workers Union, hereafter referred to as "USW" or the "Union". No additions, waivers, deletions, modifications, or amendments shall be made during the term of this contract except by written agreement of the parties.

ARTICLE II RECOGNITION

Section 1. RECOGNITION AS EXCLUSIVE BARGAINING AGENT

In conformity with the Labor-Management Relations Act, the Company recognizes the Union as the sole and exclusive bargaining agent for all hourly rated employees, excluding Guards and salaried employees (semi-monthly or weekly), with respect to rates of pay, wages, hours of employment, and other conditions of employment.

Section 2. EMPLOYEE DEFINED

The term "employee" as used herein will mean any person represented by the Union as described in Section (1) above. For the purpose of this Contract, the use of the masculine pronoun or derivative thereof shall be applied as to include both male and female.

Section 3. UNION/COMPANY INTERFACE

The Company agrees not to interfere with the right of employees to join or belong to the Union and the Union agrees not to intimidate or coerce employees to join the Union. The Company further agrees not to discriminate against any employee on account of Union membership or Union activity, and the Union agrees neither to solicit for membership (but may take part in new employee orientation), collect Union funds, nor to engage in other Union activity on Company time unless specifically provided for in this Contract.

Section 4. PRE-CONTRACT INCIDENTS

It is agreed that no incident, which occurred prior to the effective date of this contract, shall be the subject of complaint under any of the procedures or provisions provided in this contract. Grievances arising under the terms of any other contract shall not be processed, or otherwise pursued under this contract.

ARTICLE III UNION-COMPANY RELATIONSHIP

Section 1. UNION MEMBERSHIP

All present employees of the Company covered by this Agreement on the date of execution of this Agreement shall have the right to remain, but shall not be required to remain, members of the Union. All employees covered by this Agreement who are hired after the date of execution of the Agreement shall have the right to become, but shall not be required to become, members of the Union.

The parties agree that if, during the term of this Agreement, KRS 336.130(3) (“Kentucky Right to Work Act) is repealed, in its entirety, by the Commonwealth of Kentucky, if a new public act invalidates KRS 336.130(3), if it becomes unenforceable in any way, or if the language contained in Article III, Section 1 of the Agreement June 27, 2005 – June 27, 2014 Agreement becomes lawful for any other reason, the language of Article III, Section 1 of the June 27, 2005 – June 27, 2014 Agreement shall replace the current language in Article III, Section 1 without the need for any bargaining

Section 2. DUES DEDUCTION

Upon receipt of the proper written authorization form (provided by the Union) from an employee, the Company agrees to deduct from the wages of said employee dues uniformly applicable to all members as certified to the Company by the Union. Payroll deductions of appropriate incremental amounts will be made on a weekly basis until the regular monthly dues amount has been collected, unless the employee's paychecks during the month are insufficient to cover the monthly dues amount. Dues deducted and collected for the month will be forwarded to the International Union, at the designated address, in the correct amount, and on the proper form(s). A copy of the R-115 Form and a report of dues collected will be provided to the Local Union.

Section 3. INDEMNITY

The Union shall indemnify and save the Company harmless against any and all claims, demands, suits, or other forms of liability that may arise out of, or by reason of, action taken by the Company for the purpose of complying with Article III.

Section 4. PAC CHECK OFF

The Company agrees that it will check-off and transmit to the Treasurer of the United Steelworkers Political Action Committee (USW PAC) voluntary contributions to the USW PAC from the earnings of those employees who voluntarily authorize such contributions on forms provided for that purpose by the USW PAC. The amount and timing of such check-off deductions and the transmittal of such voluntary contributions shall be specified in such forms and in conformance with any applicable state or federal statute. The signing of such USW PAC check-off forms and the making of such voluntary contributions are not the conditions of membership in the Union or of employment with the Company. The parties acknowledge that the costs of implementing and administering the USW PAC Check-off Program would be an obligation of the Union and that the estimated costs of such implementation and administration of the program have been incorporated by the Company in its valuation of collective bargaining negotiation settlements. USW PAC supports various candidates for federal and other elective offices connected with the USW, a labor organization, and solicits and accepts only voluntary contributions, which are deposited in an account separate and segregated from the dues fund of the Union, in its own fundraising effort and in joint fundraising efforts with the AFL-CIO and its Committee on Political Education.

ARTICLE IV CONTINUITY OF OPERATION

Section 1. WORK INTERRUPTION

There will be no strikes, lockouts, work stoppages, picket lines, slowdowns, secondary boycotts, or disturbances, even of a momentary nature. The Union agrees to support the Company fully in maintaining operations in every way. Participation by any employee, or employees, in an act violating this provision in

any way will be complete and immediate cause for discharge by the Company.

Section 2. SECURITY MEASURES

It is agreed that all members of the Union and the Company are required to comply with all protective security measures now in effect. If it is found that this contract or any part of this contract in any way violates security measures which are now in effect, or which may be put into effect later, and the Company and the Union are notified by the proper authority as to the section or sections of the contract in question, negotiations will begin immediately for the purpose of making required changes.

ARTICLE V RESPONSIBILITIES

Section 1. MANAGEMENT RIGHTS

Subject to the Union rights as set forth in this Contract, the Company shall continue to exercise its exclusive responsibility for the management of the facility, including the non-discriminatory selection and direction of the working forces, the right to adopt and enforce reasonable work rules and regulations (provided it does not violate any article of the collective bargaining agreement), and the right to promote, demote, transfer, hire, rehire, discipline, discharge, and to determine the job content and qualifications of employees, and the Union agrees these rights are vested exclusively with the Company. Claims of discriminatory promotion, demotion, discipline, or discharge shall be subject to and decided through the Grievance Procedure and Arbitration Clause in this Contract, except that the Grievance Procedure and Arbitration Clause shall not preclude, nor pre-empt, an employee's right or freedom to pursue a complaint, grievance, suit or other relief and/or remedy that may be available under any state or federal law or regulation.

ARTICLE VI HOURS OF WORK

Section 1. DEFINITIONS

- a) The payroll week consists of seven (7) days extending from midnight Sunday to midnight Sunday the following week.
- b) The normal workweek consists of forty (40) hours within a payroll week.
- c) The normal workday consists of eight (8) hours of work for day workers, and twelve (12) hours of work for rotating shift workers.
- d) The normal hours for rotating shift workers are 7:00 a.m. to 7:00 p.m. and 7:00 p.m. to 7:00 a.m. It is understood and agreed that time allotted for eating lunch shall be as short in duration as possible and in no case shall exceed thirty (30) minutes. If a shift worker is not allowed a lunch period starting within the first five (5) hours of his regular shift hours, thirty (30) minutes pay at one and one half (1-1/2) times the straight time hourly rate will be added to such employee's pay. This provision will not apply unless the delay is ordered by the employee's first line supervisor. Pay under this provision will not be indicative of time worked as applicable for overtime pay.
- e) The normal hours for straight day workers are from 7:00 a.m. to 3:00 p.m., Monday through Friday with a paid lunch. It is understood and agreed that time allotted for eating lunch shall be as short in duration as possible and in no case shall exceed thirty (30) minutes. If a straight day worker is not allowed a lunch period starting within the first five (5) hours of his regular shift hours, 30 minutes pay at 1 ½

times the straight time hourly rate will be added to such employee's pay. This provision will not apply unless the delay is ordered by the employee's first line supervisor. Pay under this provision will not be indicative of time worked as applicable for overtime pay.

- f) The term working schedule means the arrangement of shift hours to be worked and regular shift changes for employees working on shifts and the regular scheduled arrangement of hours to be worked by straight day workers.
- g) Twelve (12) Hour Shift Rules – The following rules are specific for 12-hour shift employees. Where any wage, hours of work, or working condition is not addressed in 1-13 below, the remainder of the Contract language will apply.
 - 1) These rules cover all USW represented 12-hour rotating shift workers at the DUF6 Paducah Plant.
 - 2) Normal workweeks consist of two 40-hour, one 44-hour, and one 36-hour workweeks.
 - 3) Hours: 7:00 a.m. to 7:00 p.m. and 7:00 p.m. to 7:00 a.m.
 - 4) In no case will employees working the 12-hour shift schedules receive standard overtime for hours worked in excess of eight in a 24-hour period. Employees will receive pay for holdover, call-in, and work in excess of 40 hours in a payroll week in accordance with the terms of the contract.
 - 5) Employees receive four hours at the overtime rate once every three weeks when they work the scheduled 44-hour workweek.
 - 6) Double time pay for all hours worked on the seventh consecutive day worked in any payroll week or in the alternative, provided all scheduled work days in a payroll week are worked or paid for per Article VI, Section 14, an employee scheduled on a 12-hour shift who works a second day in addition to their normal schedule within the payroll week will be paid the seventh consecutive day (2 X STHR) premium rate. However, the seventh day provision will only apply to one day within the payroll week as follows, whichever alternative provides the greatest total pay:
 - a) In the event more than one day could be considered the seventh consecutive day, the day with the greatest number of hours worked (twelve hours or more) will be the qualifying seventh day and all hours worked will be paid at two times STHR. If the qualifying seventh day is less than a 12-hour work day provision (b) applies.
 - b) On the occasion when two days could have qualified as the seventh consecutive day and neither of those days were twelve hours or more, hours worked on both days up to a total of twelve hours will be paid at two times STHR. Any additional overtime hours will be paid at 1-1/2 times STHR.
 - 7) When two worked holidays fall back to back and an employee begins work at 7:00 p.m. on the first holiday, he will receive pay at double time and a half for all hours worked.
 - 8) Shift premium will be paid at a rate of \$.60 cents per hour for hours worked between 7:00 p.m. and 7:00 a.m. No shift premium will be paid for hours worked between 7:00 a.m. and 7:00 p.m.
 - 9) When holdover is necessary, the employee may be held over to work four hours and an employee from the overtime list on off shift will be called in to work.

- 10) Meal allowance will be paid after 14 hours of continuous and successive hours.
 - 11) Funeral leave allowance will be counted as three 12-hour days. As a special provision, in the event of the death of an employee's spouse or child, funeral leave allowance will be counted as four 12-hour days. The number of funeral days mentioned above is not an entitlement to a specific number of funeral days unless the days start with the day of death and end with the specified number of days after the funeral.
 - 12) Vacation, sick, and personal time are accounted for in increments of four and eight hours. Four hours will be one-half day for record purposes and 12-hours will be recorded as one and one-half days of vacation.
 - 13) These conditions are not all inclusive and unanticipated situations may arise. The Company and Union will address such occurrences being guided by the intent of this Section that no employee will receive a windfall under the Contract by virtue of working a 12-hour rather than an eight-hour shift.
- h) Production Support rules – The following rules are specific for Production Support employees. Where any wage, hours of work, or working condition is not addressed in 1-12 below, the remainder of the Contract language will apply.
- 1) Production support will consist of day workers. This group will be classified as Production Support Group.
 - 2) The Production Support Group will have 1 (one) overtime list. The Conversion Operators will be a separate overtime list.
 - 3) The Production Support Group will have 1 (one) vacation list also separate from the Conversion Operators.
 - 4) All Production Support Group operators will work from 0630 to 1500. Operator schedule will be a rotating, 5-day shift which has been agreed to.
 - 5) When Production Support Group operators are required to work on Saturday and Sunday as part of their scheduled work week, their days off will be on Thursday and Friday.
 - 6) All Production Support Operators who work Saturday and/or Sunday will receive an additional 60 (sixty) cents per hour for such hours worked as per the Collective Bargaining Agreement (CBA). The Group will also receive turnover pay of 30 minutes at a rate of two times the STHR.
 - 7) The number of Production Support Operators for weekend coverage will be a minimum of 3 (three), with the option not to back-fill for absences due to STD, PTO or Fragmented Vacation based on work load.
 - 8) Production Support Operators will work a minimum of 3 (three) person coverage on holidays, with the option not to back-fill for absences due to STD, PTO, Fragmented Vacation or a request to observe the holiday based on work load. Holiday coverage will be scheduled by a list for rotation of equal distribution of holiday pay.
 - 9) Production Support Operators who work on any of the 11 (eleven) recognized holidays will receive a rate of 2 ½ (two and one half) times the straight time hourly rate (STHR) for all hours worked.

- 10) Production Support Operators not working on any of the 11 (eleven) recognized holidays will receive 8 (eight) hours pay at the straight time hourly rate (STHR).
- 11) Scope of work for Production Support Group would include but are not limited to all duties that are currently being performed by the two separate groups, such as cylinder movements (this includes feed and oxide cylinders), HF load out, HF sampling, railcar movement, and DIW filter change out, cylinder staging and inspections, TSR/DSA related inspections and cylinder yard maintenance. Production Support Group will also provide support to Conversion Operations with KOH, KRS, support Waste Management, and Rad Waste Movements as requested. Any cylinder movements currently being performed by Conversion Operators will remain the same.

Section 2. WORK SCHEDULE

- a) The provisions of this contract shall not be considered as a guarantee by the Company of a minimum number of hours per day or per week, or pay in lieu thereof, nor a limitation on the maximum hours per day or per week, which may be required to meet operating conditions.
- b) MCS will have the right to establish or modify various shifts to meet operational needs and/or to enable MCS to operate efficiently. The Company may adjust the working schedule of employees to meet operating requirements and employees may be assigned regularly or temporarily to a schedule other than their normal hours. Plant seniority shift preference within a job classification will be granted annually to employees upon request. Such annual request must be made no later than January 1, with any change resulting there from to be made not later than the week beginning after March 1.
- c) Such preference may only be exercised between a twelve (12) hour rotating shift and straight day shift. Such preference cannot be exercised between individual letter shifts on the twelve (12) hour rotating shift.

Employees who request to go from day shift to twelve (12) hour rotating shift shall not be privileged to select the individual twelve (12) hour shift they will be assigned to.

- d) Employees who work overtime shall not be required to take time off to offset the overtime work.
- e) If the Company changes the normal work schedule of an employee and fails to notify that employee at least twenty-four (24) hours prior to the first work shift of the new schedule, then the employee shall receive one and one-half (1-1/2) times the employee's straight time hourly rate for the first eight (8) hours worked on the new schedule, except when such change is made at the request of or for the convenience of the employee.

Section 3. OVERTIME PREMIUM PAY

One and one-half (1-1/2) times the straight-time hourly rate shall be paid for all hours worked in excess of eight (8) in any twenty-four (24) hour period or for all hours worked in excess of forty (40) within the applicable payroll week as defined in Section 1 of this Article, whichever of these alternatives provides at the end of the payroll week the greater total pay. An employee who is required to work in excess of sixteen (16) continuous hours shall be paid two (2) times the straight-time hourly rate for all such continuous hours worked in excess of sixteen (16).

NOTE: Special rules for twelve (12) hour shift workers are found in this Article VI, Section 1 (g) of this contract. Those twelve (12) hour shift rules are applicable to employees assigned to and working such

shifts.

Section 4. CALL IN PAY

An employee who has left the Plant and is called in by the Company to perform work outside of his regular scheduled shift will receive not less than four (4) hours pay at straight-time, or pay at one and one-half (1-1/2) times his regular rate as overtime pay for such work performed, whichever is greater.

Section 5. REPORTING PAY

- a) An employee who reports for work on his regular shift without previously having been notified not to report, will be given at least four (4) hours work, or if no work is available, four (4) hours pay, except that if work is unavailable as the result of causes beyond the control of the Company, it shall not be so obligated.
- b) Failure on the part of an employee to keep the Company informed of his current address will relieve the Company of its responsibility under this section of the Contract.

Section 6. OVERTIME DISTRIBUTION

- a) All overtime opportunities, other than call-in overtime (Article VI, Section 4. above), shall be offered in four- (4), six- (6), eight- (8), ten- (10) or twelve- (12) hour increments of overtime. Overtime also will be distributed in such a manner that each employee within an overtime group will receive his fair share. An overtime spread of sixteen (16) hours between the low employee on the overtime list and the high employee will be considered a reasonable and fair distribution of overtime among employees on the list. Overtime work offered and refused will be counted as overtime worked. A record of overtime will be kept up to date and posted in an accessible location to enable employees to review. The overtime rules shall continue to be used as a means to implement the fair distribution of overtime within overtime lists and will be consistent with this provision. An employee can be on only one overtime list at a time. In scheduled overtime situations where an employee is improperly bypassed for overtime in violation of the Contract, awarding him the next overtime assignment for which he is qualified will compensate the bypassed employee.

There shall be one set of overtime rules, which will be applicable to all USW workers. These overtime rules are included in this contract as Appendix H.

Alternate lists will be provided and time permitting, will be polled prior to a compulsory assignment. The Company agrees to meet with the Union to discuss and seek resolution of difficulties, which may exist in the administration of overtime distribution. These meetings between Company management and the appropriate Union officials will be held as necessary.

- b) Employees held over past their scheduled quitting time will be provided with a minimum of two (2) hours work.

Section 7. MEAL ALLOWANCE & ALLOTTED MEAL TIME

- a) A day worker who is required to work overtime and who works ten (10) or more continuous and successive hours will be paid a meal allowance of five dollars (\$5.00) which will be included in his

regular pay check. An additional meal allowance will be allowed for each four (4) hours of consecutive work performed thereafter. If an employee is paid a meal allowance and arrangements are not made for him to have time to eat within the hour thereafter, he will be credited with thirty (30) minutes additional work time. The first meal allowance is after ten (10) hours of continuous work. The second meal allowance is after fourteen (14) hours of continuous work.

- b) No time will be deducted for lunch periods during such overtime work, it being understood that they will be made as short as possible and in no case exceed thirty (30) minutes.
- c) Rules governing meal allowance for twelve (12) hour shift workers are found in Section 1 (d) above.

Section 8. HOLIDAYS

- a) The following are recognized holidays: New Year's Day, Martin Luther King, Jr.'s Birthday, Good Friday, Memorial Day, Independence Day, Companion to Independence Day, Labor Day, Thanksgiving Day, the day following Thanksgiving Day, Christmas Eve, and Christmas. Martin Luther King, Jr.'s Birthday is observed on the third Monday in January. If any of the above holidays fall on Sunday, Monday shall be recognized as the holiday. If any of the above holidays fall on Saturday, the preceding Friday shall be recognized as the holiday except that any employee normally scheduled to work on one of the above recognized calendar holidays that fall on Saturday or Sunday, such recognized calendar holiday will be his recognized holiday. If any of the above holidays fall on an employee's scheduled off day, his first succeeding scheduled workday shall be recognized as the holiday except that where Thanksgiving Day or Christmas Eve falls on an employee's scheduled off day, it will be recognized on the last scheduled workday which preceded the employee's scheduled off day.
- b) A rate of two and one-half (2-1/2) times the straight-time hourly rate shall be paid for all hours worked on the eleven (11) recognized holidays.
- c) Employees will be paid for recognized holidays not worked an amount equivalent to eight (8) times the employees' straight-time hourly rate, subject to the following conditions:
 - 1) Such pay shall be made to the employee only if the employee would normally have worked the recognized holiday if it had not been a holiday.
 - 2) An employee who is instructed to work on a holiday but who fails to report and does not have an acceptable excuse will receive no pay for the holiday.
 - 3) To be eligible for holiday pay an employee must report for work on his last regularly scheduled working day immediately preceding the holiday and the first regularly scheduled workday immediately following his holiday, unless excused by the Company.
- d) If a designated holiday occurs during an employee's vacation and that employee would otherwise have been scheduled to work on that day had it not been a holiday, such employee shall receive eight (8) hours pay at his straight-time hourly rate in addition to his vacation pay. At the request of the employee, the first-line manager may, at his discretion, grant the employee an extra day off without pay immediately preceding or following his vacation. Such days of absence will not be used for corrective absentee control measures.

Section 9. SEVENTH DAY PREMIUM PAY

Double time will be paid for all hours worked on the seventh (7th) consecutive day worked in any payroll week.

NOTE: Twelve (12) hour shift rules, Article VI, section 1 (g), apply regarding seventh (7th) day pay rules for workers assigned to such shift.

Section 10. NON-PYRAMIDING

Overtime premium shall not be duplicated for the same hours under any of the terms of this Contract, and to the extent that hours are compensated for at an overtime premium rate under one provision they shall not be counted as hours worked in determining overtime compensation under the same or any other provision.

Section 11. SHIFT TRADES

Employees may not trade shifts or days off except with the prior approval of their respective first-line managers and further provided that no overtime premium is involved.

Section 12. JURY DUTY PAY

An employee who is called for jury duty may be excused from work upon presentation of court notice to his immediate first-line manager. The employee who has been so excused will be paid his normal straight-time earnings and the fees received from the court, provided he submits evidence of the amount received from the court. Only the number of his scheduled workdays actually spent in court is counted in calculating payment. Employees who would be working the hours between 7:00 a.m. and 3:00 p.m. were they not on jury duty that are not called at the opening of court for actual jury duty and who are excused for the remainder of the day shall report to work within a reasonable time after being excused. An employee will not be required to change shifts because of jury duty.

Section 13. VOTING TIME PAY

Employees who are unable to vote because of a conflict between voting hours and scheduled working hours in a national, state, county, or municipal election will be allowed sufficient time off to vote provided that they are eligible to vote. Such eligible voting employees will be paid for such absence for a period not to exceed two (2) hours.

Section 14. TIME NOT WORKED

In determining if an employee is to be paid in accordance with Section 3 and Section 9 of this Article VI, each of the holidays in Section 8, which would ordinarily have been worked, and the hours compensated for at time and one-half (1-1/2) under Article VI, Section 2 (d), and those days for which an employee is paid by the Company for jury duty in accordance with Section 12 will count as a day worked. Also, fragmented vacation, funeral leave, and holiday option days taken by an employee will count as a day worked in determining if an employee is to be compensated at time and one-half for all hours worked in excess of forty (40) hours within the applicable payroll week.

APPENDIX D
VACATION REGULATIONS

The following regulations govern the application of the vacation provisions as set forth in Article XI of the Contract:

- a) The vacation provisions are not applicable to part-time, intermittent, or temporary employees.
- b) The vacation season will be for the full calendar year. The number of employees who are on vacation days at the same time may be up to fifteen (15) percent of the employees on the vacation list. KEA, Thanksgiving, and Christmas weeks will be considered special weeks during which up to twenty (20) percent of the employees on the vacation list may schedule vacation. At its sole discretion, management may allow greater percentages of employees off on vacations provided there is no negative impact.
- c) Vacations are scheduled by supervision during the established vacation season. Vacation preference will be exercised during the vacation season within a vacation group within a job classification group. Preference as to dates is based upon seniority. Such preference can be exercised only once in a calendar year. Preference for a split vacation may only be exercised for one part at a time with preference for the remaining parts being exercised in the same seniority order. The employee shall make an election during the time he exercises his vacation preference as to any carry-forward or vacation option for which he is eligible. Such elected option will be irrevocable for the calendar year for which it is made unless the Company and the employee otherwise mutually agree.
- d) An employee must complete the full minimum Company Service Credit noted in Article XI before he is eligible for a vacation or vacation pay.
- e) Vacation payments will be calculated on the basis of an employee’s straight-time hourly rate, plus any applicable shift differential, in effect at the time he goes on vacation, multiplied by the number

of hours of vacation taken. However, the amount paid to an employee for vacation carried forward shall be his straight-time hourly rate in effect at the time he receives such pay, multiplied by the number of hours of vacation taken.

- f) If an employee who has completed the minimum eligibility requirements for a vacation retires, resigns, is laid off, is discharged, or dies, he, or his survivors, will be paid for any vacation in the current year, which has not been taken.
- g) Employees may elect to fragment their entire current year vacation allotment.
 - 1) Employees may take vacation in portions of half (1/2) days or one (1) or more whole days in accordance with their current year's vacation eligibility.

Employees may elect to take up to twenty-four (24) hours of vacation in portions of one (1) hour or more. Such hourly elections are subject to the fragmented vacation stipulations of this contract. Only whole days of vacation may be carried forward to the next year therefore any hours amounting to less than a whole day must be taken during the present vacation season.
 - 2) The Union agrees that all vacation requests will be made with "reasonable advance notice" being given to the company.
 - 3) The first-line manager will have absolute discretion to approve or disapprove such requests, and his decisions will not be subject to challenge in the Grievance Procedure and/or Arbitration clause. Such requests will not be granted if in the opinion of the Company it will be necessary to provide relief at premium or overtime rates.
- h) An employee who has completed the minimum eligibility requirements and is recalled following a layoff for reduction in force will be required to work for six (6) months following his reemployment before he is again eligible for a vacation. Such vacation cannot be taken until the following year if it would otherwise result in a duplication of the current year's vacation.
- i) Vacations for which an employee is eligible will not be affected by a disability absence except that if an employee is absent for an entire calendar year no vacation will be granted in such year.
- j) An employee who takes a leave of absence will be treated, for vacation purposes, in the same manner as if he were terminated as of his last day worked. If the leave does not extend into another calendar year, however, the employee may be permitted to postpone any current year vacation due until after his return to work.
- k) Except as provided for under the carry-forward option in Paragraph (n), an employee may not postpone his vacation to the following year.
- l) If the designated holiday occurs during an employee's vacation and that employee would otherwise have been scheduled to work on that day had it not been a holiday, such employee shall receive eight (8) hours of pay at straight time in addition to his vacation.
- m) An employee who completes his first year of Company Service Credit for a vacation with pay as set forth in the Vacation Plan shall have a vested right to that vacation on the day he completes one year of Company Service Credit.

n) Carry-Forward Option

- 1) An employee may carry forward to a succeeding year up to two (2) weeks of his Current Year Vacation. It is understood that any carry-forward vacation must be taken in eight (8) hour or more after all of his Current Year Vacation is used. Any unused vacation may be carried forward.
- 2) The maximum amount of carried-forward vacation, which an employee may have to his credit at any time, shall be six (6) weeks. Also, the maximum vacation taken in any calendar year shall be twelve weeks.

An employee with one (1) or more years of Company Service Credit who is on the payroll of the Company on December 31 of the year prior to the calendar year in which he is entitled to a vacation with pay as set forth in the Vacation Plan shall have vested right on that date to such vacation for the following year. An employee is considered to be on the payroll of the Company unless he has previously been terminated or has otherwise ceased active work and is not expected to return to work because of disability or some other reason.

**APPENDIX E
COMPANY SERVICE CREDIT RULES**

Section 1. COMPANY SERVICE CREDIT RULES PERTAINING TO UDS HIRING DURING AND AFTER THE “INITIAL STAFF-UP PERIOD”

- a) The UDS “Initial Staff-Up Period” is defined as the time period beginning with the transition of the first UDS USW represented employees, and ending on a date one (1) year after the start of operations of the Paducah DUF6 Plant. Ending date of the initial staff up period was midnight 5/31/12.
- b) The Company may hire employees for USW represented positions from various sources during this “Initial Staff- Up Period”. During this “Initial Staff-Up Period” it is agreed that employees hired by UDS into USW represented positions shall receive previous Company Service Credit earned at the Paducah site with USEC, BJC, Weskem, and Swift & Staley (or successors thereto) as MCS Company Service Credit if such credit is in effect at the time of a formal UDS offer of employment. If any benefit has been liquidated based on such former service, then that former service shall not be allowed as credited service by the Company.
- c) Employees hired by the Company into USW represented positions after the “Initial Staff-Up Period” at the Paducah DUF6 Plant shall not receive previous Company Service Credit earned at the Paducah site with USEC, BJC, Weskem, and Swift & Staley (or successors thereto) as credited MCS Company Service.
- d) Any dispute as to former Service Credit allowed, or dates of former service, or other such claims will be resolved before, and as a condition of, accepting employment with the Company. Any attempt to question such determinations subsequent to accepting employment with the Company will not be pursuable through the grievance procedure and/or arbitration clause of this contract.
- e) An employee’s total Company Service Credit shall consist of the time actually spent on the Company payroll, plus allowable time under Appendix “E”, Section 1, plus properly approved absences from

work, to be determined under the following rules.

Section 2. OTHER COMPANY SERVICE PROVISIONS

The following rules will apply to Company Service Credit from the time Paducah Plant operations begin until such time as they are changed by negotiation of the proper parties.

- a) In case an employee is involuntarily laid off by the Company on account of reduction in force and through no fault of his own:
 - (1) If such involuntary layoff continues not more than four (4) consecutive years, Company Service Credit will be given for service prior to such layoff.
 - (2) If such involuntary layoff continues more than four (4) years, no Company Service Credit will be given for service prior to such layoff.
- b) In case of absence for disability or for absence with leave for a reason other than disability, which is authorized by the local management, employment will be considered as continuous without any deduction if it does not exceed three (3) months. However, in case such absence does exceed three (3) months, the period of absence in excess of three (3) months will not be considered as Company Service unless otherwise authorized by the local management. If an employee who is thus absent fails to return to work when able to do so and at the time designated by the Company, he will be considered as voluntarily terminating his employment and his Company Service Credit shall end as of the date on which such absence commenced.
- c) In case of rehire subsequent to voluntary termination of employment, credit will be given for service only since last date of rehire by the Company unless such employee was rehired within three (3) months after his voluntary termination.
- d) In case of rehire or reinstatement subsequent to discharge for cause or resignation at the Company's request, credit will be given for service only since last date of rehire or reinstatement by the Company.

APPENDIX F PERSONAL ABSENCE WITHOUT PAY

Employees will be granted time off without pay when the workload permits, as follows:

- a) Minimum time necessary to attend a marriage in the immediate family not to exceed three (3) days.
- b) Minimum time necessary to attend the funeral of a close friend or relative not to exceed three (3) days.
- c) Minimum time necessary for settlement of estates, to serve as witness when subpoenaed in court, dental work, legal closing of purchase or sale of the employee's personal residence.
- d) No time will be granted to conduct another business or occupation or avocation or to attend conventions or meetings or to attend to matters that can be handled reasonably outside working hours.

APPENDIX G BENEFIT PLANS

Part A – Employee Benefit Plans

Employee benefits are summarized in the Plan documents for Paducah. Employee benefit plan documents are incorporated into this contract by reference, and shall include the following:

1. Defined Benefit Pension Plan
2. Retiree Health Care Benefit Plan
3. Employee Health Care Plan (medical, prescription drug and vision)
4. Dental Plan
5. Employee Savings Plan (401K)
6. Basic and Supplemental Life Insurance Plan
7. Flexible Spending Accounts
8. Special Accident Insurance Plan
9. Employee Assistance Program
10. Basic Long-Term Disability
11. Business Travel Accident Insurance Plan
12. Short Term Disability Plan

Notwithstanding provisions contained in any other benefit plan document or notices, the Company shall not eliminate any benefit plans or programs, nor shall they provide less than substantially equivalent benefit levels (subject to availability of such plans or programs), unless they notify and bargain with USW, in accordance with applicable federal and state law. However, this obligation shall not apply beyond the term of this contract.

Part B – Health Benefit Program

- a) A Comprehensive Medical Plan designed to pay the major share of covered hospital, surgical and medical expenses, while attempting to control health care costs by encouraging the use of cost-effective services.

A Vision Care Plan with no deductible, which includes an eye examination once every twelve months, one pair of lenses once every twelve months, and one pair of frames once every twenty-four months.

A Dental Insurance Plan.

- b) The Company will arrange with an insurance company to make available to participating employees in the bargaining unit a health benefit program as set forth in Plan documents.
- c) It is agreed that the gross cost of the said health benefits program shall be shared by the Company and participating employees. Each employee who enrolls in the program shall pay the applicable rate, such rate representing fourteen (14) percent of the total gross cost effective January 1, 2019. The Company shall pay the remaining eighty-six (86) percent of the cost. Effective January 1, 2020 the employee will pay sixteen (16) percent, effective January 1, 2021 the employee will pay eighteen (18) percent, and on January 1, 2022, the employee will pay twenty (20) percent of the premium while the Company paying the remaining gross cost of the monthly premium for each year.

- d) Employee participation in the program shall be on a voluntary basis. Employees who enroll in the program shall authorize the Company in writing to deduct from their pay the applicable rate.
- e) In the event of the enactment or amendment of any Federal or State law providing for benefits similar, in whole or in part, to those covered by Appendix G of this Agreement, and requiring either (a) compulsory participation by any employee or the Company; or (b) compulsory payment of taxes or contribution by any employee or by the Company; or (c) benefit costs either to any employee or the Company different from those provided for under Appendix G of this Agreement, then the parties hereto agree that they will amend this Agreement so as to provide that the total cost to the Company for insurance benefits of whatsoever nature for its employees will not be greater in amount than such costs as provided by law or by Appendix G of this Agreement, whichever costs are greater.
- f) The Company shall retain the right to arrange through an insurance company(s) or other carrier(s) for coverage providing the benefits under the Group Insurance and Dental Insurance Plans.
- g) The administration of the Group Insurance and Dental Insurance Plans hereunder and the payment of benefits under the Plans shall be handled directly by the Insurance Company, it being understood that a claimant whose benefits claim is denied may contest such denial with the Insurance Company, but that he shall have no redress whatsoever against the Company. It is agreed, however, that in any case in which an employee claiming benefits under the Group Insurance or Dental Insurance Plans and desiring to file such claim with the Insurance Company, becomes engaged in a non-medical factual dispute with the Company in connection with such claim (such as, for example, but not limited to, disagreement over his earnings group, eligibility, employment status, amount of Company Service Credit, or other non-medical factual question), such employee and the Union may process such dispute through the Grievance Procedure set forth in the Collective Bargaining Contract then in effect between the parties. It is agreed that any arbitration award as to such factual dispute shall be final and binding upon the parties hereto and the employee thereafter may present his claim to the Insurance Company on the basis of the facts as determined by said award.

It is agreed, however, that any and all medical questions in dispute shall be determined solely by the Insurance Company. To request review of any such dispute, the Bargaining Unit employee shall make written application therefore to the Insurance Company not more than sixty (60) days after the receipt of the Insurance Company's position giving rise to the dispute. Within sixty (60) days after the Insurance Company's receipt of the application for review, it shall inform the employee in writing of its decision in final disposition of the dispute. Under special circumstances, the Insurance Company may extend the time for processing the review, but its decision in final disposition of the dispute shall be rendered not later than one hundred twenty (120) days after its receipt of the application for review.

- h) Regardless of the time limit, if any, prescribed in the Contract for the filing of a grievance concerning the alleged violation of such Contract, a claimant's appeal will be processed in accordance with the Grievance and Arbitration procedure, provided that such grievance is filed not more than sixty (60) days after the claimant's receipt of the Company's position giving rise to the nonmedical factual dispute.
- i) The Defined Benefit Pension Plan, Group Insurance and Dental Insurance Agreement shall replace all prior agreements pertaining to the Pension, Group Insurance and Dental Insurance Plans, including any amendments to them.

Effective January 1, 2020 the Comprehensive Premium Medical Plan will change to the PPO 200 Plan and will have prescription drug co-pays and twenty (20) dollar co-pays for services i.e. in network doctor, urgent care, or emergency room visits. There will be a two hundred (200) dollar deductible per person. The Family Plan deductible maximum will be four hundred (400) dollars and two hundred (200) dollar maximum for the single employee plan.

Covered Benefits	Network	Non-Network
Deductible(single/family)	200/400 dollars	400/800 dollars
Out of pocket max.(single/family)	200/400 dollars	600/1000 dollars

(Deductibles and prescription copays will count toward maximum out of pocket)

In addition, the Company will pay a stipend in January of 2020 and 2021 an amount equal to the in-network plan deductible of the employee. If the employee has a single coverage plan they will receive \$200 (grossed up if needed) and if the employee has family coverage \$400 (grossed up if needed). The intent is for the employee to receive a full \$200 or \$400 as applicable.

Part C – Defined Benefit Pension Plan

- a) It is understood that if any dispute arises from the denial of a Bargaining Unit employee’s claim for benefits under the Defined Benefit Pension Plan, then such dispute may be taken up through the Grievance and Arbitration Procedure of this Contract.
- b) The obligation of the Company to participate in the Defined Benefit Pension Plan, as herein provided, is subject to the requirement that approval by the Internal Revenue Service for the Plan is received and maintained continuously as:
 - (1) Qualifying under Section 401 of the Internal Revenue Code or any other applicable section of the Federal tax laws (as such Sections are now in effect or are hereafter amended or enacted); and
 - (2) Entitling the Company to deduction for payments under the Plan pursuant to Section 404 of the Internal Revenue Code or any other applicable section of the Federal tax laws (as such sections are now in effect or are hereafter amended or enacted).

In the event that any revision in the Defined Benefit Pension Plan is necessary to receive and maintain such approval or to meet the requirements of any other applicable Federal law, the Company and the Union shall resume negotiations for the purpose of reaching agreement on such revision, it being understood that such revision shall be held to a minimum, adhering as closely as possible to the intent expressed in the Pension Plan and in this Agreement.

- c) Carve Out provision with a Defined Benefit Pension Plan (which mirrors MEPP).

NOTE: The following paragraphs (c) and (f) contain references to UDS (former contractor) that upon consideration during this new contract negotiations deemed it important not to change some references of UDS to MCS. There was no intent to change the meaning or intent of paragraphs (c) or (f).

- 1) In determining the amount of pension obligations and benefit payments, the Company or the

Company Plan Administrator, as applicable, shall include the sum of accrued service credit which at the time of initial employment with the Company is allowable under the terms of the applicable pension plan from employment with: (a) UDS (or its successors); plus (b) USEC, United States Enrichment Corporation, Lockheed Martin Utility Services (LMUS), Lockheed Martin Energy Services (LMES) and predecessor Department of Energy (DOE) contractors at the Portsmouth, OH and Paducah, KY sites; plus (c) Bechtel Jacobs, and its first and second tier subcontractors, and successors thereto. Pensions payable under the “UDS Mirror Plan” for service credit earned under “a”, “b”, and “c” shall be determined using the formula specified in the UDS Employee Benefits Handbook dated March 2005, except that the amount of such payments made by UDS or the UDS Plan Administrator, as applicable, may be offset for pension benefits due from USEC. The basis for such offset is determined as follows:

- 2) The pension payable by MCS or the Company Plan Administrator, as applicable, shall be based on service creditable from employment with UDS (and its successors), plus service credited under the USEC Plan (and its predecessors), plus service credited under the MEPP from employment with Bechtel Jacobs (and its first and second tier subcontractors) and any successors thereto, offset by the amounts payable to the employee or survivor, as applicable, under the USEC Plan (or successors thereto) and the amounts payable to the employee or survivor, as applicable, under the MEPP.
- 3) The Administrator for the Company Plan shall comply with the provisions of this Section.
- d) During the term of this Agreement, the Company Service Credit of a USW represented employee for the purpose of determining eligibility for benefits under the Pension, Dental Insurance and Group Insurance Plans, and of computing the amounts of such benefits, shall be determined in accordance with the Company Service Credit Rules set forth in the Collective Bargaining Contract. However, it is understood that with respect to the Defined Benefit Pension Plan, “credited service” as defined in that Plan shall govern.
- e) The Defined Benefit Pension Plan, Group Insurance and Dental Insurance Agreement shall replace all prior agreements pertaining to the Pension, Group Insurance and Dental Insurance Plans, including any amendments to them.
- f) Whether an employee is hired during or after the “Initial Staff-Up Period” (as defined in Appendix “E”, Section 1(a) of this contract) shall have no bearing upon their eligibility to participate in the Defined Benefit Pension Plan. Eligibility to participate in the Defined Benefit Pension Plan as a UDS employee shall be determined solely as follows: Any employee hired by UDS who is, at time of UDS hiring, participating in the MEPP or who is eligible to participate in the MEPP under the terms of the 2001 BJC/PACE Collective Bargaining Agreement (including the Addendum) at Paducah shall be eligible to participate in the Defined Benefit Pension Plan as a UDS Employee. Any employee hired by UDS who, at time of hiring, is not eligible to participate in the MEPP under the terms of the 2001 BJC/PACE Collective Bargaining Agreement (including the Addendum) at Paducah shall not be eligible to participate in the Defined Benefit Pension Plan as a UDS employee.

All USW represented employees who are not eligible to participate in the Defined Benefit Pension Plan shall, in lieu of participation in the Defined Benefit Pension Plan, receive from the Company a 5.8% per year contribution to the profit sharing component of the 401K profit sharing plan. This contribution shall be an amount equal to 5.8% of the applicable hourly wage for every hour worked.

Vesting in this profit sharing component shall be immediate. This 5.8% contribution by the Company is in addition to the 401K Plan matching opportunities, which are available to all employees.

- g) Retirees shall pay 25% of health care premiums for health care coverage.

APPENDIX H MCS/USW GENERAL OVERTIME RULES

- 1) Unless the employee is on vacation, SDO, union business, jury duty, military leave, funeral leave, holiday option, or company related business, all available overtime will be charged as hours worked or refused. An employee performing union business will be bypassed for available overtime opportunities. Union business is defined as travel, arbitration, conducting official union meetings, and conducting OSHEC training.
- 2) When an employee enters a new overtime group, the total hours of overtime will follow an employee to the new overtime group, except he/she will have neither more than the maximum hours nor less than the minimum hours in this new group. If more than one employee enters at the same time, seniority will prevail.
- 3) When an employee enters a job classification by promotion, transfer, or hire, he/she will receive the maximum hours when eligible to go on the overtime list. Seniority will prevail when employees enter on the same date.
- 4) The overtime lists will be zeroed and rearranged by seniority each calendar year between January 1 and January 15. Each person on the list will go to zero.
- 5) The alternate overtime list will be polled prior to offering overtime to an employee working out of classification.
- 6) Overtime offered and refused will be offered in 4, 6, 8, 10 or 12-hour increments, other than call-in overtime. NOTE the following:
 - If polling for a 12 hour block of overtime, then charge for the 12 hours
 - If a need develops for another 12 hour block of overtime within the same timeframe, then you would only charge for a total of 12 hours (not 24)
 - If the overtime blocks are broken down in increments, then the employee will be charged for the additional hours of overtime.
- 7) A medical restriction in itself will not automatically disqualify an employee from working an overtime assignment. However, an employee having a medical restriction, which prevents him from working the overtime, will be charged.
- 8) If there is scheduled overtime on the day an employee is on a fragmented vacation day and the employee is polled before scheduling the vacation day or half day, the employee will be charged if he refuses.
- 9) Vacation time for a 40 hour (full week) work week commences at 2300 on Sunday night for a shift worker/2400 on Sunday night for a day worker; and the vacation time ends at either 2300 for a shift worker/2400 for a day worker on the following Sunday.

- 10) Overtime will be offered to those going on vacation until Sunday night at either 2300/2400.

Ms. Donna Steele, President
United Steel, Paper and Forestry, Rubber, Manufacturing,
Energy Allied Industrial and Service Workers Intl. AFL-CIO
P.O. Box 494
Paducah, Kentucky 42001

Dear Ms. Donna Steele,

The parties agree that in order to clarify the vested rights for the subsequent year's vacation for employees, with one or more years of service, who are absent because of disability as of December 31, the following guidelines will apply:

1. If such an employee is receiving, on December 31, either Non Occupational Disability or Occupational Disability payment as outlined in Article IX, Section 1 of the Company-Union Contract, he shall be regarded as "being on the payroll" as of December 31 and will be vested for the subsequent year's vacation.
2. In any event, if such an employee files a claim for Long Term Disability before, on, or after December 31, and such disability payment becomes effective prior to December 31 of the previous year, such an employee will not have vested rights to the subsequent year's vacation.
3. If such an employee is not receiving benefits under Article IX, Section 1 on December 31, he will not be vested for the subsequent year's vacation unless he returns to work in that subsequent year.
4. It is understood that the above clarification relates solely to vacation vesting and does not affect any other determination of whether an employee is deemed to be on the payroll.
5. Under no circumstances will an employee be eligible for vesting vacation for more than one year on the basis outlined above.

Sincerely,
