

**United States Department of Energy, Office of Environmental Management Procurement
Special Notice October 16, 2023**

West Valley Demonstration Project Phase 1B

The Department of Energy (DOE) held a pre-solicitation conference for the West Valley Demonstration Project Phase 1B procurement on September 21, 2023. Based on the oral and written feedback provided by industry, DOE is hereby providing notification regarding changes to the Draft Request For Proposal (RFP) that are anticipated to be included in the Final RFP. There may be other changes to the Draft RFP; however, DOE is providing these changes as advance notification to assist industry with pre-proposal preparation.

1. Section L.12 DOE-L-2002 Proposal Preparation Instructions, Volume I – Offer and Other Documents – Alternate II, Alternate III, Alternate IV, Alternate V, and Alternate VI (Nov 2016) paragraph (h): There were revisions to the Foreign Ownership, Control, or Influence (FOCI) Mitigation requirements. Mitigation documents will not be required in the proposal submittal. Templates will be provided to industry for awareness; however, mitigation documents will only be submitted as requested by DOE.
2. Section L.15 Proposal Preparation Instructions, Volume II – Key Personnel: The Oral problem scenarios – key personnel, and individual oral interviews – Program Manager and Decontamination & Decommissioning Manager will be held in person. The Final RFP will contain details.
3. Section L.16 DOE-L-2010 Proposal Preparation Instructions, Volume II – Past Performance (Oct 2015) (Revised): The definition for size as it relates to an Offeror's past performance will be revised from \$100M to \$70M.
4. L.16 DOE-L-2010 Proposal Preparation Instructions, Volume II – Past Performance (Oct 2015) (Revised): The time period for reference contracts has been revised from 4 years to 5 years from the original solicitation issuance date.
