(a) The Contracting Officer may, at any time, by written order to the Contractor, require the Contractor to stop all, or any part, of the work called for by this Contract for a period of 90 days after the order is delivered to the Contractor, and for any further period to which the parties may agree. The order shall be specifically identified as a stop-work order issued under this clause. Upon receipt of the order, the Contractor shall immediately comply with its terms and take all reasonable steps to minimize the incurrence of costs allocable to the work covered by the order during the period of work stoppage. Within a period of 90 days after a stop-work order is delivered to the Contractor, or within any extension of that period to which the parties shall have agreed, the Contracting Officer shall either:

1. Cancel the stop-work order; or
2. Terminate the work covered by the order as provided in the Termination clause of this contract.

(b) If a stop-work order issued under this clause is canceled or the period of the order or any extension thereof expires, the Contractor shall resume work. The Contracting Officer shall make an equitable adjustment in the delivery schedule, the estimated cost, the fee, or a combination thereof, and in any other terms of the contract that may be affected, and the contract shall be modified, in writing, accordingly, if:

1. The stop-work order results in an increase in the time required for, or in the Contractor’s cost properly allocable to, the performance of any part of this contract; and
2. The Contractor asserts its right to the adjustment within 30 days after the end of the period of work stoppage; provided, that if the Contracting Officer decides the facts justify the action, the Contracting Officer may receive and act upon the claim submitted at any time before final payment under this contract.

(c) If a stop-work order is not canceled and the work covered by the order is terminated for the convenience of the Government, the Contracting Officer shall allow reasonable costs resulting from the stop-work order in arriving at the termination settlement.

(d) If a stop-work order is not canceled and the work covered by the order is terminated for default, the Contracting Officer shall allow, by equitable adjustment or otherwise, reasonable costs resulting from the stop-work order.

**F.2 DOE-F-2002 Place of Performance – Services (Oct 2014)**

The principal place of performance of this Contract shall be the United States Department of Energy Hanford Site, near Richland, Washington, and other facilities as directed by the Contracting Officer.

**F.3 DOE-F-2003 Period of Performance – Alternate I and Alternate II (Oct 2014)**

(a) The Contractor shall commence performance of this contract in accordance with the contract terms and conditions on the date the Notice to Proceed (NTP) is issued for the 120-day Transition Period, and then continue through the end of the Base Period for a total of five (5) years. DOE may delay issuing NTP after contract award for up to six (6) months. The five-year Base Period includes the 120-day Transition Period. Periods of performance for Contract Line Item Numbers (CLIN) will be accomplished in accordance with the schedule below:

(b) The period of performance of this contract may be extended pursuant to unilateral options or other clauses that provide for the extension of the contract. In the event that the Government elects to exercise its right pursuant to such options(s) or other clauses, the period of performance shall be revised to reflect such extensions.

F.4 DOE-F-2007 Delivery of Limited Rights Data (Oct 2014)

(a) Delivery of limited rights data. The Contractor shall, at the option of the Contracting Officer, be required to deliver any limited rights data used in the performance of this contract. Such data shall be subject to the provisions of FAR 52.227-14, Rights in Data-General, paragraph (g), Protection of limited rights data and restricted computer software, with Alternatives II and V, which are incorporated into this contract.

(b) The limited rights data subject to FAR 52.227-14, Rights in Data-General, are listed below. This listing of limited rights data, which are asserted by the Contractor to be limited rights data, does not constitute an admission by the Government that the data is in fact limited rights data.

[Contractor to identify specific data asserted to be limited rights data if not included in an attachment]

If a patent is issued by the United States Patent and Trademark Office (U.S. PTO) or by the patent office of any foreign country, based on any information asserted to be limited rights data, the Government will no longer treat any data contained in such issued patent as limited rights data.

In addition, if any information asserted to be limited rights data results in or becomes a Subject Invention, as that term is defined in the patent rights clause of this agreement, the Government will only treat such data as limited rights data until the Contractor has filed its initial patent application.

(c) The Contractor shall not introduce or utilize any limited rights data not identified in (b) above without advance written notification to the Contracting Officer.

(d) Notwithstanding any other provision of this contract, the following data shall be delivered to the Government with unlimited rights:

[Contracting Officer to specify what data are to be delivered to the Government with unlimited rights]

F.5 DOE-F-2008 Delivery of Restricted Computer Software (Oct 2014)

(a) Delivery of restricted computer software. The Contractor shall, at the option of the Contracting Officer, be required to deliver any restricted computer software used in the performance of this contract. Such restricted computer software shall be subject to the provisions of FAR 52.227-14, Rights in Data-General, paragraph (g), Protection of limited rights data and restricted computer software, with Alternatives III and V, which are incorporated into this contract.
(b) The restricted computer software subject to FAR 52.227-14, *Rights in Data-General*, are listed below. This listing of restricted computer software, which is asserted by the Contractor to be restricted computer software, does not constitute an admission by the Government that the data is in fact restricted computer software.

[Contractor to identify and certify specific data asserted to be restricted computer software, if not included in an attachment]

If a patent is issued by the U.S. PTO or the patent office of any foreign country, based on any information asserted to be restricted computer software, the Government will no longer treat any data contained in such issued patent as restricted computer software. In addition, if any information asserted to be restricted computer software results in or becomes a Subject Invention, as that term is defined in the patent rights clause of this agreement, the Government will only treat such data as restricted computer software until the Contractor has filed its initial patent application.

(c) The Contractor shall not introduce or utilize any restricted computer software not identified in (b) above without advance written notification to the Contracting Officer.

(d) Notwithstanding any other provision of this contract, the following data shall be delivered to the Government with unlimited rights:

[Contracting Officer to specify what data are to be delivered to the Government with unlimited rights]
