127.	H.55(h)	DOE-H-2068 Conference Management (Oct 2014)	H-70	<p>The paragraph refers to the mission of “DOE/NNSA”.</p> <p>Is the proper reference the mission of “DOE/EM”?</p>	No. That is a DOE corporate clause and “DOE/NNSA” is correct.
128.	H.14	Business Systems DOE-H-2022	H-30	<p>On 4/1/14 DOE published a rule in the Federal Register proposing a rule entitled “Contractor Business Systems.” That proposed clause is present in the LANL RFP at DOE-H-2022 that would allow withholding of payments if it was determined we had any deficiencies with our Government Approved Business Systems (accounting, estimating, procurement, property, etc), as well other requirements.</p> <p>In the 7/6/16 publication of the Federal Register DOE withdrew the proposed rule. Please remove the associated clause from the RFP.</p>	The clause will remain in the RFP. It is a DOE Corporate Clause. DOE withdrew its request to make it a DEAR clause.
