

Outfall 200 Mercury Treatment Facility Pre-Proposal Site Tour Registration Form

One copy of this form shall be completed for each participant for the Outfall 200 Mercury Treatment Facility (OF200 MTF) Pre-Proposal Site Tour. The entire form shall be completed and submitted to the Department of Energy via facsimile at the following number: (865) 574-7616. All required information must be provided in order for the registration form to be accepted. Any required information omitted will result in the rejection of your registration.

The pre-proposal site tour will be held on Tuesday, April 10, 2018. A visitor badge for Y-12 site access is required to participate in the pre-proposal site tour, and participants must fill in all of the information contained within this form for visitor badge processing. To obtain a visitor badge for the tour, the attendees will be required to present a government issued REAL ID compliant form of identification.

Please refer to the Pre-Proposal Site Tour Registration Information document for additional details, which may be found at <https://www.emcbc.doe.gov/SEB/OF200MTF/>.

You may request confirmation that DOE received your Pre-Proposal Site Tour Registration Form, or ask questions regarding registration for the pre-proposal site tour by contacting Aaron White at Aaron.White@orem.doe.gov.
