F.1 DOE-F-2002 Place of Performance – Services (Oct 2014)

The principal place of performance of this Contract shall take place at the two clinic locations identified in Section C entitled, *Cost Reimbursement Occupational Medical Support Services*: The 200 West Area Health Care Center and a Main Clinic. The Main Clinic shall be located in the Richland, WA area, which is defined as follows: the area bounded on the east by the Columbia River, on the south by Lee Boulevard, on the west by the Highway 240 by-pass, including adjacent properties and on the north by the Hanford Site. A map showing this area has been provided in the electronic library.

The Contractor may assume the existing lease for the current clinic facility located at 1979 Snyder Street, Richland, WA 99354. The contractor may propose a new location within the defined Richland, WA area. The location and lease require Department of Energy (DOE) Contracting Officer approval.

The 200 West Area clinic will reside in facilities provided by the Government.

F.2 Hours of Service

The hours of operation for the clinics shall be as follows:

- Monday through Friday: 6:00 am to 4:30 pm both clinics are open and staffed. Onsite (200 West Area) clinic is staffed until midnight with minimal staffing.
- Saturday: Offsite clinic is closed; onsite clinic is open 7:00 am to 4:00 pm with minimal staffing.
- Sunday: Offsite and onsite clinics are closed on Sundays.

The clinics will be closed on Site holidays. A schedule of Site holidays will be published, by the Contractor, at the beginning of each calendar year.

F.3 DOE-F-2003 Period of Performance – Alternate I and Alternate II (Oct 2014)

(a) The Contractor shall commence performance of this Contract in accordance with the Contract terms and conditions on the date the Notice to Proceed (NTP) is issued for the 90-day Transition Period and continue through the end of the Base Period for a total of three (3) years. DOE may delay issuing the NTP after contract award for up to six (6) months. The three-year Base Period includes the 90-day Transition Period. Periods of performance for Contract Line Item Numbers will be accomplished in accordance with the schedule below (Table F-1):

<table>
<thead>
<tr>
<th>Period</th>
<th>Start</th>
<th>End</th>
</tr>
</thead>
<tbody>
<tr>
<td>Base Period CLINs (3 Years, includes 90 day transition period)</td>
<td>TBD</td>
<td>TBD</td>
</tr>
<tr>
<td>Option Period 1 CLINs (24 months)</td>
<td>TBD</td>
<td>TBD</td>
</tr>
<tr>
<td>Option Period 2 CLINs (24 months)</td>
<td>TBD</td>
<td>TBD</td>
</tr>
</tbody>
</table>

Table F-1. Contract Performance

Note: The Contract contains IDIQ CLINs that have an ordering period consistent with the period of performance for the Base Period CLINs, and will be extended commensurate with the exercise of the Option Period(s) (if exercised).

CLIN = Contract Line Item Number

IDIQ = Indefinite Delivery/Indefinite Quantity
(b) The Period of Performance of this Contract may be extended pursuant to unilateral options or other clauses that provide for the extension of the Contract. In the event that the Government elects to exercise its right pursuant to such option(s) or other clauses, the Period of Performance shall be revised to reflect such extensions. The Period of Performance does not include the option to extend services per Section I clause, FAR 52.217-8 entitled, Option to Extend Services.

F.4 FAR 52.242-15 Stop-Work Order (Aug 1989) (Applies to Fixed-Price)

(a) The Contracting Officer may, at any time, by written order to the Contractor, require the Contractor to stop all, or any part, of the work called for by this Contract for a period of 90 days after the order is delivered to the Contractor, and for any further period to which the parties may agree. The order shall be specifically identified as a stop-work order issued under this clause. Upon receipt of the order, the Contractor shall immediately comply with its terms and take all reasonable steps to minimize the incurrence of costs allocable to the work covered by the order during the period of work stoppage. Within a period of 90 days after a stop-work is delivered to the Contractor, or within any extension of that period to which the parties shall have agreed, the Contracting Officer shall either—

(1) Cancel the stop-work order; or

(2) Terminate the work covered by the order as provided in the Default, or the Termination for Convenience of the Government, clause of this contract.

(b) If a stop-work order issued under this clause is canceled or the period of the order or any extension thereof expires, the Contractor shall resume work. The Contracting Officer shall make an equitable adjustment in the delivery schedule or contract price, or both, and the contract shall be modified, in writing, accordingly, if—

(1) The stop-work order results in an increase in the time required for, or in the Contractor’s cost properly allocable to, the performance of any part of this contract; and

(2) The Contractor asserts its right to the adjustment within 30 days after the end of the period of work stoppage; provided, that, if the Contracting Officer decides the facts justify the action, the Contracting Officer may receive and act upon the claim submitted at any time before final payment under this contract.

(c) If a stop-work order is not canceled and the work covered by the order is terminated for the convenience of the Government, the Contracting Officer shall allow reasonable costs resulting from the stop-work order in arriving at the termination settlement.

(d) If a stop-work order is not canceled and the work covered by the order is terminated for default, the Contracting Officer shall allow, by equitable adjustment or otherwise, reasonable costs resulting from the stop-work order.

(a) The Contracting Officer may, at any time, by written order to the Contractor, require the Contractor to stop all, or any part, of the work called for by this contract for a period of 90-days after the order is delivered to the Contractor, and for any further period to which the parties may agree. The order shall be specifically identified as a stop-work order issued under this clause. Upon receipt of the order, the Contractor shall immediately comply with its terms and take all reasonable steps to minimize the incurrence of costs allocable to the work covered by the order during the period of work stoppage.
Within a period of 90-days after a stop-work is delivered to the Contractor, or within any extension of that period to which the parties shall have agreed, the Contracting Officer shall either—

(1) Cancel the stop-work order; or

(2) Terminate the work covered by the order as provided in the Termination clause of this Contract.

(b) If a stop-work order issued under this clause is canceled or the period of the order or any extension thereof expires, the Contractor shall resume work. The Contracting Officer shall make an equitable adjustment in the delivery schedule, the estimated cost, the fee, or a combination thereof, and in any other terms of the contract that may be affected, and the contract shall be modified, in writing, accordingly, if—

(1) The stop-work order results in an increase in the time required for, or in the Contractor's cost properly allocable to, the performance of any part of this Contract; and

(2) The Contractor asserts its right to the adjustment within 30-days after the end of the period of work stoppage; provided, that, if the Contracting Officer decides the facts justify the action, the Contracting Officer may receive and act upon the claim submitted at any time before final payment under this Contract.

(c) If a stop-work order is not canceled and the work covered by the order is terminated for the convenience of the Government, the Contracting Officer shall allow reasonable costs resulting from the stop-work order in arriving at the termination settlement.

(d) If a stop-work order is not canceled and the work covered by the order is terminated for default, the Contracting Officer shall allow, by equitable adjustment or otherwise, reasonable costs resulting from the stop-work order.
