160.	Section B EM.PA.0040.A008.48.DR.01	Stabilization and Deactivation	B-3 Option 2 Period of Performance (24 months)	Section B includes PWS EM.PA. 0040.A008.48.DR.01 under CLIN 0305 under Option Period 2; however, Section C provides the extent of the period of performance under this PWS is not longer than 84 months. Please clarify as to whether PWS EM.PA. 0040.A008.48.DR.01 does or does not extend in to Option Period 2.	Per Section C, PWS EM.PA. 0040.A008.48.DR.01 extends only 84 months after transition; therefore PWS EM.PA. 0040.A008.48.DR.01 will not extend into Option Period 2. Section B will be corrected in Amendment 3.
