Programs, Plans, and Implementing Procedures
01.02.01 Safety Team of Paducah (STOP) Committee
01.03.01 Visitor Control & Escorting Requirements for Uncleared Individuals
01.03.02 Security Clearance Processing
01.03.03 Security Badges
01.03.04 TIDC Paducah Classification & Information Control
01.03.05 Paducah Security Lock & Key Program
01.03.06 Paducah Facility Registration & Foreign Ownership, Control, or Influence
01.03.08 DOE Paducah Site Operations Security Program
01.03.10 Electronic Contamination Cleanup
01.03.11 Introduction & Use of Prohibited & Controlled Articles
01.03.12 OUO Limited Area Operations for US DOE C-103 Building
01.03.13 Unclassified Foreign National Visits & Assignments
01.03.14 Kevil Office Building Access Controls
01.03.15 Safeguards & Security Awareness Program
01.03.17 Transportation-Shipment of Classified, UCNI, or ECI Matter from Paducah KY
01.03.18 Unclassified Controlled Information Management
01.04.03 Records Management
01.04.04 Administrative Records
02.04.01 Performance Documents
02.04.03 Shared Site Issues
02.04.04 Standards of Conduct & Business Ethics
03.01.01 General Safety Requirements
03.01.02 ES&H Subcontractor Oversight Program
03.01.03 Suspension of Work (Safety Related)
03.01.04 OUO Instructions for Lockout Tagout
03.02.01 Electrical Safety
03.02.02 Personal Protective Equipment
03.02.03 Hazard Assessments
03.02.04 Hazard Communication
03.02.05 Accident-Incident Reporting
03.02.06 Welding Burning & Hot Work
03.02.09 Fall Protection
03.02.10 Hoisting and Rigging
03.02.11 Defective Equipment Tags
03.02.12 Confined Space
03.02.14 Occupational Noise Exposure & Hearing Conservation Program
03.02.15 Safe Use of Scaffolds
03.02.16 Compressed Gases
03.03.01 Training Program

03.04.00 General Industrial Hygiene Program
03.04.01 Respiratory Protection Program
03.04.02 Temperature Extremes
03.04.03 Chemical Safety Management Program
03.04.05 Chronic Beryllium Disease Prevention Program
03.05.01 Occupational Health Program
03.05.05 Bloodborne Pathogens Program
03.06.01 Storage & Disposition of Spent Materials
03.06.04 Environmentally Preferable Purchasing
03.07.05 Safety Documentation for Radiological & Nonradiological Facilities
03.07.13 Facility Safety
03.08.01 Emergency Operations Center Activities
03.08.02 DOE Operational Emergencies
03.08.03 Emergency Public Information
03.08.04 Recovery from Emergency
03.09.01 Fire Protection & Evacuation Alarms
04.01.01 Radiation Exposure Limits
04.01.02 Site Access Requirements & Site Access Cards
04.01.03 Reproductive Health Program
04.01.04 RADCON Internal Audit Program
04.01.05 RADCON Technician Training
04.01.06 Paducah Radiation Safety Training
04.02.01 ALARA Program
04.02.02 ALARA Reviews
04.03.01 Internal Dosimetry
04.03.02 External Dosimetry
04.03.03 Skin Dose Assessment
04.03.04 Dosimetry QA Program Plan
04.04.01 Radiation Surveys
04.04.02 Radioactive Contamination Control
04.04.03 Workplace Monitoring
04.04.04 Radiological Air Monitoring
04.04.05 Paducah Selection & Use of Anti-Contamination Clothing
04.04.06 Posting & Labeling
04.04.07 Radiological Area Entry Control
04.04.08 Personnel & Personal Effects Decontamination
04.05.01 Radioactive Source Control
04.06.01 Radiological Accidents & Emergencies
04.07.01 Radiation Protection Program Records
04.07.02 Reports to Individuals
QA Documents: Causal Tree Rev 1
05.01.02 Control of Nonconforming Items & Services
05.01.03 Software Quality Assurance
05.01.04 Control of Measuring & Test Equipment
05.02.01 Integrated Oversight Program
05.02.03 Surveillances
05.02.04 Assessments

05.02.05 Qualification-Certification of Audit Personnel
05.03.01 Occurrence Notification and Reporting
05.03.02 Enforcement Noncompliance Determination & Reporting
05.04.01 Management Tracking System
05.04.02 Corrective Action Program
05.06.01 Procurement Quality Assurance-Procurement Level Determination
05.06.02 Supplier Evaluation
05.06.03 Acceptance of Items and Services
06.01.01 Paducah Work Control Process
06.01.02 Industrial Equipment Operator Qualification
06.02.01 Contractor Furnished Property Mgt Database & Property RE Mgt
06.02.02 Personal Property Inventory Campaigns-Reporting Lost, Destroyed, Cannibalized, Contaminated Property
06.02.03 Reutilization & Excessing Property, Staging Excess Property, Offsite Removal
06.02.04 Proliferation-Sensitive Personal Property Management
06.05.01 Fleet Operations
06.05.03 Battery Charging Areas
06.05.04 Operation of the C-752-B Fuel Dispensing Station
06.09.01 Inspecting, Testing, Removing, Returning to Service Wet-Pipe Automatic Sprinkler System
06.09.02 Inspecting, Testing, Removing, and Maintaining Dry-Pipe Automatic
09.02.01 Classified Matter Protection & Control Manual
09.02.03 Development of Security Plans
09.02.04 OUO Transmitting Information Using the Secure Terminal Equipment Telephone (STE) and Classified Facsimile
10.01.01 Information Technology Baseline Configuration Management
10.01.02 Routine & Scheduled Maintenance of Information Systems
10.02.01 Account Management for Information Systems
10.03.01 Media Sanitization
10.03.03 Physical & Environmental Controls for Information Systems
10.03.04 Information Systems Data Backup
10.03.05 Media Protection
10.04.01 Contingency Plan Procedure for the Paducah KY Project Information Systems
10.04.02 Information Technology Systems Audit & Accountability
10.04.03 Information Technology System & Communications Protection
10.04.04 Information Technology System & Information Integrity
10.05.01 Information Systems Incident Response & Recovery
10.05.02 Risk Assessment for Information Systems
