15.	L.17(p)	<u>Waiver of Facilities Capital Cost of Money (FCCOM). The solicitation includes Section I clause titled, FAR 52.215-17, Waiver of Facilities Capital Cost of Money; thus, as a condition of award, the offeror shall not propose facilities capital cost of money.</u>	Waiver of Facilities Capital Cost of Money (FCCOM). FCCM is permitted if proposed as a separate cost element in accordance with FAR 31.205-10. The offeror must provide calculations for cost of money for facilities capital employed by fiscal year and disclose the Treasury rate used. The offeror shall show the application base for each FCCM rate and show calculations to support the proposed costs, including for any CLIN. Pursuant to FAR 15.408, Table 15-2, Form CASB-CMF, which can be found at 48 CFR 9904.414-60, must be used to delineate the calculation of FCCM. If the offeror elects not to claim FCCM, a statement shall be made to that effect. The solicitation includes Section I clause titled, FAR 52.215-17, Waiver of Facilities Capital Cost of Money; thus, as a condition of award, the offeror shall not propose facilities capital cost of money.
16.	L.23(b)	48 CFR 33.2014(a)(3)(ii)	48 CFR 33.20104(a)(3)(ii)
17.	Section L, Attachment L-8, C.2.5 Assumptions	1. The DOE-provided cost for completion of the safety basis upgrade is \$20M (\$3M during FY18, \$3M during FY19, \$3M during FY20, \$3M during FY21, \$3M during FY22, \$3M during FY23, and \$2M during FY24 (base period)).	1. The DOE-provided cost for completion of the safety basis upgrade is \$20M (\$3M during FY18, \$3M during FY19, \$3M during FY20, \$3M during FY21, \$3M during FY22, \$3M during FY23, and \$2M during FY24 (<u>\$1M in base period and \$1M in option period</u>)).
18.	Section L, Attachment L-8, C.3.3.1 Assumptions	No prior assumption for C.3.3.1, Functional Service Agreements.	<u>1. The level of FSA support currently provided will continue to be available to the Contractor until specific FSAs are revised and approved by the Contractor and the service provider (Site M&O Contractor).</u>
