

ACRONYMS

ARP – Actinide Removal Process	MST – Monosodium Titanate
BRC – Blue Ribbon Commission	NNSA – National Nuclear Security Administration
BWRE – Bulk waste Removal Efforts	OIG – Office of Inspector General
CBC – Consolidated Business Center	PBI – Performance Based Incentives
D & D – Decontamination and Decommissioning	PBS – Program Baseline Summary
DB – Defined Benefit	PLA – Project Labor Agreement
DC – Defined Contribution	PWS – Performance Work Statement
DBA – Davis-Bacon Act	RFI –Request for Information
DOE-SR – Department of Energy Savannah River Operations Office	RFP – Request for Proposals
DSS – Decontaminated Salt Solution	SDF – Saltstone Disposal Facility
DWPF – Defense Waste Processing Facility	SPF – Saltstone Production Facility
EM – Environmental Management	SDU – Saltstone Disposal Unit
FFA – Federal Facility Agreement	SIP – Savings and Investment Plan
FSA – Functional Service Agreement	SLA – Service Level Agreement
GFSI – Government Furnished Services and Items	SREL – Savannah River Ecology Laboratory
GWSB – Glass Waste Storage Building	SRNL – Savannah River National Laboratory
HLW – High Level Waste	SRNS – Savannah River Nuclear Solutions
ISMS – Integrated Safety Management Systems	SRR – Savannah River Remediation
LW – Liquid Waste	SRS – Savannah River Site
LWSP – Liquid Waste System Plan	SWPF – Salt Waste Processing Facility
M&O – Management and Operating	USFG – United States Forest Service
MCU – Modular Caustic Side Solvent Extraction Unit	WBS – Work Breakdown Structure
MEPP – Multiple Employer Pension Plan	WIPP – Waste Isolation Pilot Plant
MOA – Memorandum of Agreement	WTA - Work Task Agreement
MOF – Mixed Oxide Fuel
