

Savannah River Site (SRS) Operations Acquisition One on One Registration Form

One copy of this form shall be completed for each participant for the Savannah River Site Operations Acquisition Procurement Industry Day conference. The form shall be completed and submitted to the Department of Energy via email at the following email address: SRSOperations@emcbc.doe.gov. All required information must be provided in order for the registration form to be accepted. Any required information omitted will result in the rejection of your registration. Additional details regarding registration information may be found at <https://www.emcbc.doe.gov/SEB/SRSOperations>.

By submission of this registration form, the registrant confirms their understanding that no recording, copying, or transcription devices will be allowed during the session. Only DOE may record the session.

We do We do not intend to provide presentation material during our One on One session.

The one on one sessions will be held virtually via WebEx on May 11, 12, if needed May 13, 2021. DOE has provided a virtual site tour and technical presentations regarding SRS and procurement-related information specific to the Draft Request for Proposal that was released on April 28, 2021. Registration is limited to six (6) representative logins (with email addresses) per entity for the conference. DOE will provide the login information to registrants. Registrants are encouraged to familiarize themselves with WebEx and test their systems for compatibility prior to logging in to the conference.

DOE is not requesting and will not accept any company marketing material.
