**Special Notice – Update to Request for Proposal Release Time Frames for the Central Plateau
Cleanup Contract and Tank Closure Contract**

January 7, 2019

On December 31, 2018, DOE announced its intention to release the Final Requests for Proposals (RFPs) for the Hanford Central Plateau Cleanup Contract (CPCC) and Hanford Tank Closure Contract (TCC) in the second quarter of FY 2019. This special notice clarifies the timeline for CPCC and TCC as follows:

- The Final RFPs for CPCC and TCC will be released before the end of January 2019.
- Draft versions of Final RFP Sections C, L, M, and the Sample Task(s) (including the sample task fee structure) will be released for CPCC not later than the week of January 14th, and for TCC not later than the week of January 21st for advance industry comments.
- The CPCC RFP Synopsis 89303318REM000008 was issued on April 19, 2018.
- The TCC RFP Synopsis 89303319REM000044 was issued on January 7, 2019.
