

# **STANDARDS/REQUIREMENTS IDENTIFICATION DOCUMENT**

## **FUNCTIONAL AREA 06.0**

### **SAFEGUARDS AND SECURITY (U)**

**This Standards/Requirements Identification Document (S/RID) currently contains no Safeguards and Security requirements applicable to Savannah River Remediation LLC (SRR).**

**The requirements that address Safeguards and Security Source Documents applicable to SRR are identified as Non ESH Directives consistent with Contract Clause [I.138](#). A listing of current applicable Non ESH Directives and their associated Compliance Assessments are available from the SRR S/RID Web Page on InSite.**

**Therefore, this Functional Area is identified as "Not Currently Required". This Functional Area will be treated as a "living document" and will be modified in the future, should the need arise.**

**JULY 08, 2009  
REVISION 09-08**

Savannah River Remediation LLC
